Greetings friend! Thank you so much for taking the time to check out Ends of the Earth Adventures. We are an active adventure community impacting youth locally and globally. Like you, we understand how it feels to want to change the world. So we invite you on an adventure event with us, let's #PrayGoRepeat together!

After 15 years of hosting Christ-centered bicycling tours, we saw God use over 2,000 participants to impact youth in 30+ countries through 60+ cycling tours, touching all 50 United States. God had also worked through Ends

Cycling participants to raise over \$1.5 million to promote and resource global youth ministry for needs like ministries providing discipleship, clean water, alleviation of hunger, human trafficking prevention, training youth workers, and transforming lives of youth for His glory.

Now, God has led us to expand beyond road cycling into many areas of adventure ministry. We look forward to welcoming you on a Christ-centered adventure really soon!

In Christ, ,
